ON THE DRAWING BOARD

A glimpse at some of the “Proof of Concept” resources we are exploring as additions to the Steele Compliance Wave Libraries...

INFOGRAPHICS

Our take on a visual representation of the compliance knowledge that is vital to the success of your compliance program. Enhance your employee's training experience by presenting your content in a concise, visually striking style to continually reinforce important compliance concepts.

KIDS ON COMPLIANCE VIDEOS

A revamp of the videos featuring our most popular “experts” on compliance. Delight your employees with a child's sincere take on such topics as Conflicts of Interest and Intellectual Property.

90-SECOND VIDEOS

A short-form video that covers our core content areas; great to use on its own or as a refresher following formal training.

- Fraud, Waste and Abuse
- Global Privacy
- Global Trade Controls and Sanctions
- HIPAA Privacy
- Interactions with HCPs: Medical Devices
- Interactions with HCPs: Pharmaceuticals
- Off-Label Promotions
- Reporting Misconduct

ADDED COMMUNICATION AND TRAINING RESOURCES

More articles, brochures, training presentations, situations and solutions and case studies on your most important risk areas.

- Anti-Bribery
- Avoiding Retaliation
- Code of Conduct Awareness
- Conflicts of Interest
- Data Privacy and Security
- Discrimination and Harassment
- Fair Competition
- Fraud
- Gifts and Entertainment
- Reporting/Raising Concerns

45-SECOND VIDEOS

Our most popular training concepts visualized in brief, entertaining lessons. Using animated characters, music and other sound effects but no written or spoken language, these videos will be immediately accessible to global audiences.

COMPLIANCE CARTOONS

The same great humorous twist on compliance content to be drawn in full color, in a format that is also editable and translatable.
